

## BIOGRAPHY

**Kelly Green** is a jazz pianist vocalist who currently resides in New York City. Born and raised in Florida, she began singing as a toddler and started piano lessons at age seven. At age eleven she became interested in jazz and began attending the **Jamey Aebersold Jazz Workshop** every year with her father, who is a professional bass player. Her senior year of high school she recorded and produced her own **album of twelve original songs called “Aspire”**.

She received her **Bachelors in Jazz Studies- piano performance at the University of North Florida** and her **Masters in Music - jazz performance at William Paterson University**. She has studied with accomplished masters such as **Mulgrew Miller, Lynne Arriale, and Harold Mabern**. She received the **outstanding musician’s award** at UNF and the **Outstanding Graduate Musician Award** at WPU. In May 2011, she competed in the **Generation Next Youth Talent Competition** at the **Jacksonville Jazz Festival** taking home first prize and a \$2,000 savings bond for playing and singing Herbie Hancock’s **“Eye of the Hurricane”**. Notably Kelly has performed at the **Kennedy Center, Blue Note, Dizzy’s Club Coca Cola, Birdland Theater, Blue Note, Jazz Standard and Apollo Theatre**, to name a few. She has toured in **Colombia, South America, Florida, San Francisco and the East Coast** to celebrate her debut album, **“Life Rearranged”** and **Kelly Green Trio "Volume One"**. They performed in June 2019 at the **Kennedy Center** as part of the **DC Jazz Festival** to honor the Centennial of the great Nat King Cole. She has performed alongside luminaries such as **George Coleman, Christian McBride, Josh Evans, and Steve Nelson** among others.

**“ Kelly Green is one of the most talented & spirited people I know. Everything about her is joyous and swingin’! ”**  
-Christian McBride, renowned jazz bassist

**“Kelly Green is a triple threat here as pianist, vocalist and composer...”**

- Jazz Weekly, George Harris
